

SACRAMENTAL STEWARDS SCHEDULE June 2020 through May 2021

You will need to donate a 1/2 gallon of grape juice (Welch's 100% grape-purple) and a loaf of white bread (Country Hearth Kid's White works well.) Mary Beek is our altar loaf baker and will take care of placing it on Saturday before communion. Put a small amount of grape juice in the chalice on the altar and use small doily to cover it. Set up 5 trays each of bread and juice. Leave room on top of cups to prevent spills.

Please be careful to keep the gluten free away from the regular bread. This includes not using the same knives, plates or doilies in preparation or serving. Put two gluten-free wafers on small glass plate. This plate is put on large plastic tray. Put a tray on small tables on each side of altar.

Thank you for helping with this ministry! Please call me if you have questions or problems, and when running low on supplies. - Linda Johnson
