

## **Communion Stewards June 2023 – May 2024**

Thank you for participating in this important ministry! Be aware that communion is usually the first Sunday of the month, but the date may be changed or added to by the pastor. You are responsible for the month. We will fix the elements as we have been with bread and juice. Pastor will let us know if she wants to serve by intinction (wafer dipped in juice). This will be at an anticipated large service such as Easter. Call me if you can't do your month, or try to change with someone else.

## NOTES

1. We no longer use the plastic trays.
2. Place the two small glass plates with 2 gluten-free wafers each on the altar
3. Do not space bread or juice cups.
4. You need to bring juice and bread to use when it's your turn to set up. Take home leftovers after service if you want.
5. Please trade with someone if your time does not work, or call Linda.
6. Call Linda if supplies are needed.

Thank you! You are appreciated!
